Sketches

Sketch 1:

Main Page (before login)

The sketch shows a web page layout for 'PENNY HOARDER' with the tagline 'Making Every Penny Count'. The page is divided into three main sections: a header, a main content area, and a footer.

Header: The header contains the site name 'PENNY HOARDER' and the tagline 'Making Every Penny Count'. A 'Logo' placeholder is indicated by a circle with the word 'Logo' inside.

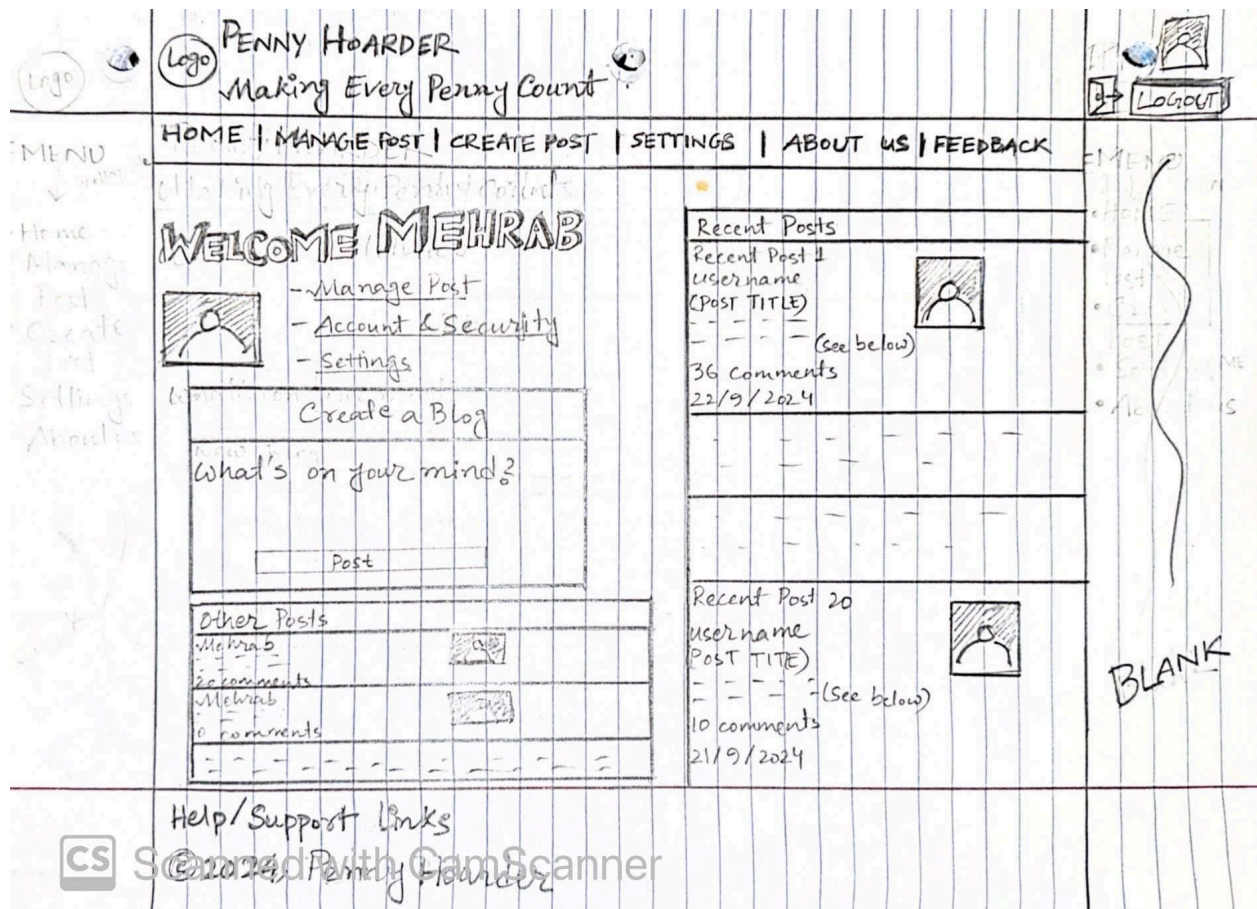

Main Content Area: The main content area is split into two columns. The left column contains a 'LOG IN' section with fields for 'Username:' and 'Password:', a 'Login' button, and links for 'Forgot Password?' and 'Don't have an account?'. Below these links is a 'Sign up' button. The right column contains a 'RECENT POSTS' section with five entries. Each entry includes a 'USERNAME (POST TITLE)', a comment count, a date, a profile picture placeholder, and a 'see more' link.

Footer: The footer contains 'Help/Support links' and a copyright notice '© 2024 Penny Hoarder'.

Annotations: The word 'BLANK' is written vertically on the left and right sides of the main content area, indicating areas for future content or images. A 'CS' logo is visible in the bottom left corner of the footer area.
